Mesiniaga secures RM167m Telekom job

Published: 2011/09/06

MESINIAGA Bhd, which provides IT and networking products, has won a RM167 million job from Telekom Malaysia Bhd to set up and operate an Internet Protocol Core System.

The contract is for a period of three years starting from September 1 to August 31 2014.

It is not expected to have any impact to its earnings for the financial year ending December 31, but is expected to contribute positively to the company's earnings beyond 2011.
