KUALA LUMPUR (Oct 6): Mesiniaga Bhd has bagged a RM10.42 million information technology maintenance and services contract from the Malaysian Investment Development Authority (MIDA).

In a filing with Bursa Malaysia today, Mesiniaga said the contract is for a period of three years, with effect from Oct 1.

Mesiniaga expects the contract to contribute positively to its earnings during the contract period.

Mesiniaga shares were up two sen or 1.69% at RM1.20 at midday today, for a market capitalisation of RM60.4 million.
