KUALA LUMPUR: IT solutions company Mesiniaga Bhd's contract with Telekom Malaysia Bhd was extended by another year with a value not exceeding RM145.9mil.

It said on Friday it had accepted an additional letter of award from TM which extends the contract period involving the supply, maintenance and support services of the new Internet protocol and service edge.

Mesiniaga said with the award of the supplementary agreement, the expiry of the contract is now extended from June 11, 2019 to May 31, 2020.
